DETAILED ACTION

Allowable Subject Matter

All claims are allowed. Claims 1-3, 6, 9-11, and 13-17 are allowed. The following is an examiner's statement of reasons for allowance: As noted in the file history (such as at pages 1-3), in contrast to the prior art, the claimed present inventions provides a "transmission side only key" and "a reception side only key" (or a transmission/reception side only key). The prior art did not teach or suggest the particular features of the claims within the context of the other limitations of the claims.
